WIDE BAR SDL PROGRAM

FRONTLINE® IS PROUD TO OFFER A WIDE BAR SIMULATED DIVIDED LITE (SDL) OPTION FOR LEADING ENTRY DOOR MANUFACTURERS

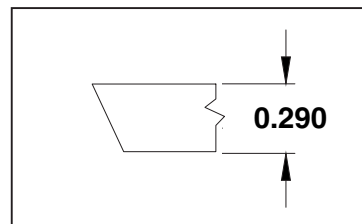

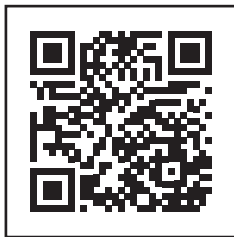

Create a current, modern look on doors, sidelites and transoms.

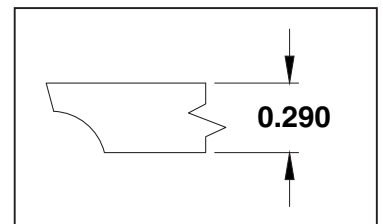

Available in four standard colors:

- White
- Black
- Buff
- Primed

Or, ask about our custom paint options or anodizing!

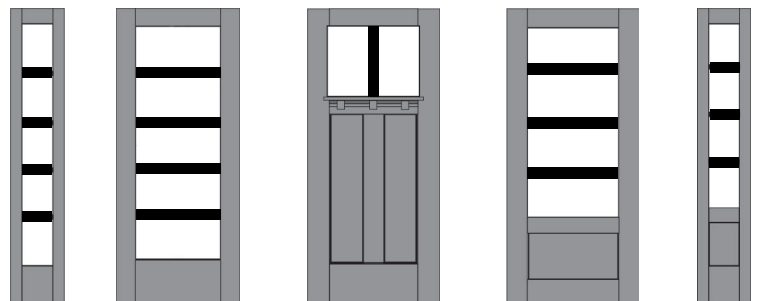

Angled to match flush-glazed frame.

Coped to match lip lite frame.

**We can also create a one-of-a-kind pattern!
Contact us for quotes.**
