Member of the Bay Family of Companies

Wide SDL Bars

- Aluminum profiles allow minimal expansion and contraction
- Will stand up to any climate; won't crack or split
- We only use 3M™ VHB™ tape for superior adhesion
- Can match endwork to your glazing frame for seamless look (coped or angled)
- Closed halving joint ("dado") for a stronger grille and fully assembled option (Applies to 1-1/8" Bars)
- Can ship unassembled and packaged in kits
- Special configurations available (including radius and diamond patterns)
- Extensive and ever-growing catalog of aluminum profiles to match OEM options
